MEMORANDUM TO: ALL ILA MEMBERS

REFERENCE: DIVORCED MEMBERS

It has been brought to our attention that ILA Members who are Divorced are NOT submitting a copy of their "Final Judgment of Divorce" to our office in a timely manner.

Unfortunately, we are seeing too many members being held responsible for reimbursing all insurance payments that were provided for their spouse when in fact the spouse's benefits should have been terminated upon the date of their Divorce. To avoid such issues, please submit all necessary documentation in a timely manner.
